Gender & Sexual Health Equity Trainee Research Symposium

Promote your work

The goal of the Trainee Research Symposium is to provide you with a setting to showcase your work among a broad and diverse group of people. In order to maximize your networking opportunities, we encourage you to promote your work over social media. Feel free to use these sample captions and the visuals in your social posts.

Use our visuals

You can find the social graphics we've prepared for you on [our website](#).

Share our posts

You can share our posts directly, or share our posts with your own commentary added.
